Dump Truck in the amount of \$92,097.74

**The following items were added to the City Council agenda after publishing
and posting, but more than 24 hours before the meeting.**

CITY COUNCIL

August 8, 2017

TO: Mayor and City Council

FROM: Craig C Platt Public Works Director

SUBJECT: Purchase of a Dump Truck OHV and Water Operations

.....
BACKGROUND

The OHV Recreation Program applied for and received a grant through the Recreation Trails Program (RTP) to purchase a 10 wheel dump truck. The OHV Recreation Program also applied for and received a ground operations grant which will pay for a part of cost for the 10 wheel dump truck.

The majority of the cost will be paid from the RTP grant in the amount of \$57,200 and the remaining amount will be taken from the Ground Operations grant in the amount of approximately \$7,800-\$9,300 making a grand total of \$65,000 to \$66,500. The grants office strongly encourages expending all funds granted for specific projects to best satisfy the terms of our agreement. Any amount over the total cost of \$65,000 can be covered under the ground operations grant after approval from the grants office.

The City Council approved staff to obtain a dump truck through auction or other merchant.

Staff has located a former municipality owned 2006 Sterling L9500 10 yard Dump Truck from Big Truck Equipment Sales in Norwalk California with 81,464 miles for \$76,097.74 and will have the California Emission's installed by the dealer for \$16,000 for a total purchase price of \$93,297.74 The balance of the purchased price will come from fund 51-5115-745 \$26,797.74 and will share use between the public works departments.

RECOMMENDATION

Council approve the amount of \$92,097.74 to purchase a 2006 Sterling L9500 10-Wheel Dump Truck.

FISCAL IMPACT

\$57,200 from Grant Reimbursable Fund 16-4230-740 and \$9,300 from Grant Reimbursable Fund 16-4228-740 and Fund 50-5115-745 \$26,797.74 for a total purchase price of \$93,297.74

The Finance Director has reviewed the staff report and finds the recommendations to be within the budget constraints of the Department.
